

FEBRUARY 25, 2019 **EDWARDSBURG, MI** **VISION PROJECT**

Please join the Village of Edwardsburg, the Edwardsburg Chamber of Commerce, and Ontwa Township for a first community session.

Michigan State University will lead the community in the first of three sessions in generating ideas for planning and design and to build consensus in making Uptown Edwardsburg welcoming, vibrant, attractive, and thriving. This project, Sustainable Built Environment (SBEI), has helped over 100 communities throughout the State of Michigan, most recently in Cassopolis, MI.

Please join us as we come together for the benefit of our community.
