Old Business-None

New Business-None. Discussion followed. If we would have a project we would meet monthly. A letter to the townships and villages to let them know we are available to serve them if sewer or water are needed could be helpful. Guest Jerry Marchetti said Cobert Lake in Ontwa Township is the only lake in the township that does not have sewer. A petition of 51 % of the residents agreeing to sewer would be needed to get started on that. Roseann Marchetti reported that Porter Township is considering an upgrade of its sewer system since its current system is aging.
